Summary of Expenditure

Total PPSG received

£16,330

Total PPSG expenditure

£16,346.58

Meeting national curriculum requirement for swimming and water safety

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	87.5%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	62.5%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	62.5%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Impact of 2018-19 PE and Sports Premium Funding

- Most significantly, we have no pupils who are PE refusers. This includes a number of pupils who refused to engage with this lesson in previous settings.
- We have a cohort of pupils who lack in confidence in their physical skills but who are participating in an increasing proportion of the lesson with their peers. This means the PE lessons are more inclusive rather than less confident pupils completing some of the learning with support adults rather than their peers.
- All pupils are gaining the fundamental life skill of swimming confidently - this is particularly important considering that many of pupils and families struggle to engage in swimming lessons in the community.

- From our assessment (which includes formative pre and post unit audit of skill levels and more summative PE assessments x 3 a year) there is clear evidence that pupils are gaining in skills and therefore the attainment in PE is rising.
- All spending decisions are subject to a value for money review and depreciation consideration. For example, re-structuring work in the playground will last for 5 years, subject to annual maintenance.

Areas for future expenditure:

The Rise will continue spend PPSG in the following areas:

- Primary Swimming Lessons
- Extra-Curricular activities in Primary
- Learning Outside the Classroom activities for Primary
- Primary P.E lessons
- CPD opportunities for staff
