## 1 Introduction

### 1.1 Purpose of the policy

The purpose of this policy is to provide a framework for all staff and volunteers working at The Rise School. It should be used in conjunction with the Adult at Risk Safeguarding and Protection Procedure to prevent and reduce the risk of abuse to all adults who may be at risk and who use the School or come into contact with staff or volunteers.

### 1.2 Background and need

This policy and its associated procedure are mandatory for all staff and volunteers, as they must be aware of their individual and collective roles and responsibilities in safeguarding and protecting adults at risk from abuse and neglect.

In our School we recognise our responsibilities as set out in the [London Multi Agency Adult Safeguarding policy and procedures updated \(June 2019\)](#).

The legislative and regulatory requirements that our School has to comply with their safeguarding policies and procedures regarding adults at risk of abuse or neglect are set out in the Care Act 2014, the [Care Act factsheets and specifically factsheet 7: \(Safeguarding\)](#) and in [Chapter 14 of the Care and Support Statutory Guidance](#) issued under the Care Act 2014.

### 1.3 Link to Mission and Beliefs

The Rise School exists to help children, young people and adults with autism to learn, thrive and achieve. This can only be attained if young people and adults are safeguarded and protected from abuse and neglect and, where appropriate prevented from becoming at risk of abuse.

### 1.4 Outcomes

As a result of the policy and associated procedure being followed, adults at risk will be better protected from the impact of abuse and neglect. The staff, volunteers, governors and trustees will take the necessary steps to safeguard and protect adults at risk, where outlined in procedures, contacting statutory agencies and/or if appropriate, discussing concerns with the adult at risk (and on occasions when appropriate their parents/carers or advocates).

## 2 Key Principles

- This policy and corresponding procedures aim to achieve a culture within the School, in which a proactive approach is taken to safeguarding, promoting and protecting the rights of adults with autism.
- All adults that use our services have the right to live a life free from abuse, harm and neglect regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity.
- All allegations, concerns or suspicions of abuse or neglect are taken seriously and responded to within the steps laid out in the corresponding procedure.
- We will work in partnership with adults who receive a service as much as is possible and appropriate.
- We will work in partnership with the local Safeguarding Adults Boards and comply with the London multi-agency Safeguarding Adults Procedures.
- All staff have a responsibility to ensure they are informed, trained and understand their duty to operate within this policy and procedure.
- All staff and volunteers have a shared responsibility to take appropriate steps to protect adults at risk.

### 3 The Policy Statement

- This policy and associated procedure apply to all staff, volunteers, governors, trustees and representatives of The Rise School.
- We are committed to the prevention of, and protection from, abuse and neglect of all adults at risk of abuse or neglect who come into contact with the School through its staff, volunteers or representatives, in whatever capacity that contact occurs.
- We are committed to taking all necessary steps to stop abuse happening, whether that abuse is perpetrated by staff, volunteers, family members, members of the public or other service users.
- We are committed to our duty of care to all adults we have contact with. If there are concerns about staff or volunteers perpetrating abuse, we will facilitate any action required to address this without delay. This will include actions required to address abusive behaviours and attitudes. On occasions, when staff have been dismissed because of concerns about abuse or neglect, they will be referred to the Disclosure & Barring Service (DBS) and professional bodies.
- We are committed to ensuring that adults at risk of abuse or neglect are given information, advice and support in a form that they can understand and have their views included in all forums where decisions are made about their lives.
- We are committed to working in partnership with parents and carers of pupils.
- We will publish online the Adult at Risk Safeguarding Policy and Procedure. In addition it will inform, in an appropriate format, all adults who use our services, that we have a duty to contact the local authority Adult Social Care department if there are concerns that an adult at risk may be being abused.
- All parents/carers will be reminded annually that the School has a duty to contact the local authority Adult Social Care department if there are concerns that an adult at risk may be being abused.
- We are committed to providing a curriculum that enables adults and other users of its services to learn to keep themselves safe and how to raise concerns if they do not feel safe in all aspects of their lives.
- We are committed to ensuring that senior members of the organisation will be without delay, fully briefed and consulted with by staff on any concerns about abuse or neglect. The process for this is detailed in the procedure. The Assistant Headteacher (Pastoral) is the **Alerting Manager (Safeguarding Adults Lead)** for The Rise School and as such has lead responsibility for responding to concerns about the abuse of adults at risk within The Rise School.
- We are committed to working within the London Multi Agency Adult Safeguarding policy and procedures (June 2019) and the procedures of any other local authorities where any adult at risk may reside.
- The Rise School, including The Rise 6<sup>th</sup> Form are committed to working with the London Borough of Hounslow Adult Social Care Department and the police if there are concerns about, or perceived risks, in respect of staff or volunteers at the School.
- We are committed to ensuring all staff and volunteers, including those with designated responsibilities, have received appropriate levels of up-to-date safeguarding training.

### 4 Risk Assessment

Should this policy and associated procedure be ignored or disregarded, the possible outcomes are:

- **For adults at risk of abuse or neglect** – placed at further risk of harm and neglect.
- **For staff and volunteers** – may be subject to inquiry, investigation internally or externally for failing to take appropriate steps, internally may then be subject to a disciplinary process.
- **For the Alerting Managers, the Chief Executive and Board of Trustees and the Governing Bodies** – possible inquiry and report from the Charities Commission and regulators or recommendation from local authorities to regulators.
- **For Ambitious about Autism and the Autism Schools Trust** – possible risk of public scrutiny and ultimately risk of prosecution and/or additional inspections from regulators and

ultimately deregistration. All of the above can lead to negative media attention and damage to the reputation of the School and the Charity.

## 5 Definitions

**Safeguarding Adults at risk of abuse or neglect:** means protecting an adult's right to live in safety, free from abuse or neglect, while at the same time making sure that the adult's wellbeing is promoted including, where appropriate, having regard to their views, wishes, feelings and beliefs in deciding on any action.

**The Safeguarding duties apply to an adult who:**

- Has needs for care and support (whether a Local Authority is meeting any of those needs) and
- Is experiencing, or at risk of, abuse or neglect; and
- As a result of those care and support needs is unable to protect themselves from either the risk of, or the experience of abuse or neglect.

Most adults that use our School are likely to fall within these definitions should they be at risk of abuse or neglect, generally, though not always, as a result of a lack of capacity within the meaning of the [Mental Capacity Act 2005](#). Young people with autism/learning difficulties are thought to be more at risk than their neurotypical peers. For example their autism/learning difficulties can make them vulnerable to gangs operating across county lines.

**Abuse and Neglect:** Refers to: 'ill-treatment (including sexual abuse and forms of ill treatment that are not physical); the impairment of, or an avoidable deterioration in, physical or mental health; and the impairment of physical, emotional, social or behavioural development'. (*Who Decides?" Law Commission, 1997*).

**Abuse** was defined by 'No Secrets' (2000, DH and Home Office) as: '...a violation of an individual's human and civil rights by any other person or persons'.

**Alerting Manager (Safeguarding Adults Lead):** The Assistant Headteacher (Pastoral) is the Alerting Manager (Safeguarding Adults Lead) for The Rise School and as such has lead responsibility for responding to concerns about the abuse of adults at risk within The Rise School. The Director of External Affairs is the Alerting Manager (Safeguarding Adults Lead) for our central charity staff team. The Executive Principal has overall responsibility for all safeguarding matters across the organisation.

## 6 Legislation, Regulatory Requirements and Guidance.

For The Rise School to meet its regulatory and statutory responsibilities, the following legislation and associated guidance are of significance (N.B. This is not an exhaustive list).

- The principle source (since 2015) is the Care Act 2014 (section 42). This defines abuse and sets out the statutory duties and the institutional responsibilities for those duties.
- The (Care Act) Care and Support Statutory Guidance provides the detail in relation to both the meaning of wellbeing and safeguarding. Chapter 14 sets out in detail the duties found in sections 42 to 46 of the Care Act, including definitions of the aims and objectives of Adult safeguarding activity and a representative range of types of adult abuse and neglect.
- Following publication of the Statement of Government Policy on Adult Safeguarding in 2011, the pan-London Adult Safeguarding Editorial Board issued Protecting adults at risk: London multi-agency policy and procedures to safeguard adults from abuse in conjunction with Social Care Institute for Excellence (SCIE). This document was updated and reissued in June 2019. Both Haringey and Hounslow (and most other London Boroughs) continue to use these procedures.
- SCIE has published a range of advice on Safeguarding, specifically guides on the Care Act 2014, and e-learning resources on adult safeguarding.
