## 1. Introduction

This policy applies to The Rise Free School which is a special free school registered as a Section 41 Institution<sup>1</sup> and is part of a multi-academy trust, Ambitious about Autism Schools Trust (AaAST).

AaAST is a multi-academy trust that runs and supports the development of special schools to enable children and young people with autism to learn, thrive and achieve. AaAST schools are funded through Local Authority fees and voluntary income.

The school is located within Hounslow and has relationships with Local Authorities across London and the Home Counties. The Rise School has a campus site for sixth form pupils located within West Thames College Campus.

The school has a Published Admissions Number (PAN) of 96 pupils.

The school complies with the SEND Code of Practice 2015<sup>2</sup> and the School Admissions Code (December 2014)<sup>3</sup>.

## 2. Admissions Criteria

The Rise School will admit young people from age 5 to 18 with a primary diagnosis of Autism Spectrum Condition<sup>4</sup> (ASC) and where the Rise School is named on the young person's Education, Health and Care Plan (EHCP).

Section 41 of the Children and Families Act 2014 allows the Secretary of State to publish a list of approved institutions, for the purposes of enabling the institution to be the subject of a request, for it to be named in an Education, Health and Care plan.

Pupils who attend the Rise School may progress to integrate into mainstream education with different levels of inclusion.

Any additional diagnoses of either learning disabilities or medical conditions must be assessed on an individual basis, to determine whether or not the school will be able to meet the child's/young person's needs.

Funded Places in 2020/21 (Reception to Sixth Form) is up to the Published Admissions Number of 96.

The National Curriculum is an important element of our school curriculum. In keeping with the statutory Inclusion Statement (National Curriculum, 2013) and the SEND Code of Practice (2015), the National Curriculum is taught within an age appropriate range. We set suitable learning challenges, respond to pupils' needs and prepare teaching to enable pupils to overcome potential barriers by providing differentiated and personalised access to the National Curriculum.

Places are commissioned by the Local Authority in which the child resides. Prior to naming the school on the young person's EHCP, the Local Authority will have consulted with the school in line with their statutory obligations as set out in the SEND Code of Practice 2015.

Places are taken up at the start of and throughout the academic year. By arrangement with the Headteacher places may be accessed at any time of the year based on the suitability for a young person.

Each application is considered on an individual basis. In each case, our application process evaluates the needs of the individual young person and determines whether the educational establishment can meet their needs with particular reference to the following factors set out in the SEND Code 2015:

- The educational establishment is suitable for the young person's age, ability, aptitude and special educational needs.
- The attendance of the young person at the school would be compatible with the efficient education of others and the efficient use of resources.

Additionally the following factors will be considered:

- The parents/carers or the young person have expressed a preference for the school (or in the case of dispute the Local Authority intends to name the school).
- The needs of the young person will be assessed to take into account the cohort and environment to enable the efficient education of others with whom they would directly come into contact on a regular day-to-day basis.
- The school may need to provide additional support for a young person whose safety or that of others is unusually at risk. This would not necessarily prevent admission. The additional support would be determined by assessment with the cost of the placement adjusted accordingly.
- The distance from the school and the time of travel to school will be considered during the admissions process.

In accordance with the SEND Code of Practice 2015, for places for young people during a transition year (moving from a primary school to a secondary school or from a secondary school to a post-16 institution) and for planned moves between primary, secondary or post-16 institutions, the Local Authority must review and make any amendments to the EHCP by 31<sup>st</sup> March in the calendar year of the transfer or at least 5 months before the transfer takes place.

The school reserves the right to delay commencement of the place until after the start of the academic year, should the Local Authority name the school on an EHCP or confirm funding of the place after the 31<sup>st</sup> March in any given year.

The school will provide the Local Authority with the prospectus and the link to the school to be provided on the Local Authority's Local Offer.

### **3. Admissions Process**

The parent/carer would request that their Local Authority apply to us on their behalf for a place at the school. The Local Authority will consult with the School in line with their statutory obligations. The school will respond within a minimum of 15 days, from the date of the consultation from the Local Authority.

The school's response is determined by the documentation received (i.e. draft EHCP or EHCP, Annual Review reports, professional reports) and by observing and assessing the young person.

We encourage parents/carers to visit our school. Visits for parents/carers are arranged during the first observation, as part of the application process.

The school's Admissions Panel will consider each consultation prior to making a response, and in all cases this will comply with the 15 day requirement.

If it would appear from the initial enquiry from a Local Authority that a placement at the school may be suitable for the prospective child, the following procedure will ensue:

- The prospective pupil will be invited in to be taught alongside the school's current cohort in a couple of core subject lessons.
- At this first observation, parents/carers will be invited to visit the school and will be given further information about the school.
- If it is felt that the school may be able to meet the needs of the prospective pupil, following the initial observation, the school will invite them to spend 3 days being taught alongside the school's current cohort.
- Following assessment of the prospective pupil, a recommendation is made to the Local Authority either to offer a place or to outline the reasons that it feels it is not able to meet this child's/young person's individual needs.
- If there is a place in the year group and the school feels that the prospective pupil's needs can be met, a formal offer is made in writing to their Local Authority.
- Once the place has been accepted in writing by the Local Authority, and if the year group is already full, the school will place the prospective pupil's name on a waiting list.
- Prospective pupils may enter the school at any time during the school year. When a start date has been established the school will plan for the pupil's integration into the school.
- Prior to entry, parents/carers will be required to read and agree to the school's behaviour policy; both parents and pupils will be required to sign a home-school agreement.

In most cases there is no charge raised for the assessment. If the current education placement is a significant distance outside the Greater London area, requiring extended travel and a potential overnight stay, the school reserves the right to charge the Authority for costs incurred for the assessment using a 'best value' model for travel and subsistence, in line with our Staff Expenses Policy.

If agreed that the school can meet the needs of the young person, a conditional place is offered and the costs for the place are provided to the Local Authority, to be considered and approved by the Local Authority.

When funding has been approved by the Local Authority and after admission young people are provided with a 6-week assessment period on entry to the school to determine the level of resource required to meet the young person's needs.

Diagrams showing the admissions process can be found in Appendix A: Application Process (Local Authority initiated).

#### 4. Oversubscription Criteria

The oversubscription criteria complies with the School Admissions Code (December 2014) specifically paragraph 1.7 and 1.8.

If the school is oversubscribed, the priority for admission will be given to those children/young people who meet the criteria below:

Priority Category	Criteria
1	Looked After Children and previously Looked After Children (as defined in paragraph 1.7 of the School Admissions Code (December 2014))
2	And thereafter, the full, half or step siblings who are twins or children from a multiple birth of existing pupils, living permanently at the same address.
3	And thereafter, the full, half or step siblings of existing pupils living permanently at the same address.
4	And thereafter, the qualifying children of staff who have sufficient service under paragraph 1.39a of the School Admissions Code (December 2014).
5	And thereafter, the qualifying children of staff who are recruited under paragraph 1.39b of the School Admissions Code (December 2014).
6	And thereafter children of UK service personnel in accordance with paragraph 2.18 of the School Admissions Code (December 2014).
7	And thereafter children as defined, under paragraph 1.39A of the School Admissions Code (December 2014), who are eligible for pupil premium.
8	And thereafter children, as defined under paragraph 1.39A of the School Admissions Code (December 2014), who are eligible for service premium.
9	And thereafter children who are twins or children from a multiple birth,
10	Lastly, distance from school as defined by time using route planner software from home postcode to school postcode. Where parents have shared parental responsibility, we will use the furthest address postcode.

Where two applications are equally ranked within an individual category (categories 1 to 9 above), a tie-break situation will occur. The tie-break priority will be decided on a combination of the individual category 1 to 9 and category 10, where the least distance will have the higher priority. Where the distance between the two children's/young person's home and the school is the same, a random allocation will be used as a tie break. This process will be independently verified.

#### 5. Waiting List

We maintain a clear, fair and objective waiting list and for our school the list will be in ranked order in accordance with the oversubscription criteria. The Local Authority would have agreed funding for a young person for the young person to be placed on the waiting list.

Policy Owner	Director of Education	Review Date:	March 2020
Policy No.	102c	Version No.	2.2

A waiting list would be established if:

- During the school year, where the Published Admissions Number (PAN) has not been reached but the maximum class sizes have been reached within an area of the School.
- During the school year, where the PAN has not been reached and the maximum class sizes have not been reached within an area of the school, as detailed above, but the introduction of an additional pupil would be incompatible with the efficient education of others.
- During each school year, where the school has reached PAN plus the oversubscription number.

To meet the special educational needs of each individual pupil, class sizes at the School will not exceed the numbers stated above. Waiting lists will therefore operate in class groupings.

When a place becomes available in a class operating a waiting list, the relevant Local Authority will be notified.

## **6. Appeal Arrangements**

Admission appeals will be considered by the AaAST Independent Appeals Panel and conducted in accordance with paragraph 2.24 of the School Admissions Code (December 2014).

## **7. Funding and Contracting**

### **7.1 Funding**

As a multi-academy trust school, the School is included on the Secretary of State's list of eligible schools, in accordance with Section 41 of the Children and Families Act 2014. As an academy, the school is required to comply within the law relating to admissions as set out in the School Standards and Framework Act 1998

Our school receives funding from the Department for Education (DfE) through the allocation from the Education and Skills Funding Agency (ESFA).

ESFA funding is allocated based on the date that funding was agreed by the Local Authority and the admission date for the young person.

The school will negotiate the additional (top-up) funding from the Local Authority commissioning a place and these fees are paid by the Local Authority.

The school assumes, by the establishment being named on an EHCP, that the Local Authority has agreed to fund the place.

### **7.2 Contracting**

Our school uses the 'National Schools and College Contract' with the Schedule 2 (shortform version) and the Schedule 6 for a variation due to General Data Protection Regulation for the contracting of placements together with the Schedule 1 (Arrangements for the Provision of Education, Health and Care in Schools)

Policy Owner	Director of Education	Review Date:	March 2020
Policy No.	102c	Version No.	2.2

In accordance with the ESFA requirements, a contract signed by all parties must be in place prior to the commencement of the placement.

## **8. Charging and Remissions**

During the school's day, all activities that are a necessary part of the curriculum will be provided free of charge as this is included within the fee paid for the education placement. This includes any materials, equipment and transport to take young people between the school and the activity. There will be no charge for any activity that is an essential part of the syllabus for an approved examination or accredited course of study.

Voluntary contributions may be sought for activities during the school's day which entail additional costs, for example visits to a museum. In these circumstances no young person will be prevented from participating because his/her parents/carers cannot or will not contribute. (If insufficient funds are available, it may be necessary to curtail or cancel activities)

From time to time we may invite a non-school based organisation to arrange an activity during the school's day. Such organisations may charge the school who may then ask parents/carers to make a voluntary contribution. Again, no young person will be prevented from participating because his/her parents/carers cannot or will not contribute. (If insufficient funds are available, it may be necessary to curtail or cancel activities.)

### **8.1 Optional activities outside of the school day**

We will charge for optional, extra activities provided outside of the school day, for example a visit to the theatre. Such activities are not part of the curriculum nor are they part of an examination syllabus.

### **8.2 Education partly during the school day**

If a non-residential activity happens partly inside the school day and partly outside of it, there will be no charge if most of the time to be spent on the activity falls within the school day. Conversely, if the bigger proportion of time spent falls outside of the normal day, charges may be made. When such activities are arranged, parents/carers will be told how the charges were calculated.

### **8.3 Residential Visits**

Charges will be made towards board and lodging, except for young people whose parents/carers are in receipt of eligible benefits, however, no young person will be prevented from participating because his/her parents/carers cannot or will not contribute. On many occasions, donations from funders have enabled the school to heavily subsidise educational visits and significantly reduce the charge to parents/carers.

### **8.4 Minibus**

Travel in the school mini-bus is free.

### **8.5 School Meals**

School meals can be provided at lunchtime and are optional. Parents are able to pay online for school meals using a secure web application called ParentPay. If a pupil is eligible for Free School Meals, the meals would be provided free of charge.

### **8.6 Calculating charges**

When charges are made for any activity, whether during or outside of the school's day, they will be based on the actual costs incurred, divided by the total number of young people participating. There will be no levy on those who can pay to support those who cannot or will not. Support for cases of hardship will come through voluntary contributions and fundraising.

Policy Owner	Director of Education	Review Date:	March 2020
Policy No.	102c	Version No.	2.2

Parents/carers who would qualify for support are those who are in receipt of eligible benefits.

Eligible benefits are:

- Income support;
- Income-based Jobseeker's Allowance;
- Income-related Employment and Support Allowance;
- Support under Part VI of the Immigration and Asylum Act 1999;
- The guaranteed element of Pension Credit;
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190);
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit; or
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get).

The principles of best value will be applied when planning activities that incur costs to the school and/or charges to parents/carers.

## **9. New learner induction**

When a place has been confirmed and the funding agreed by the Local Authority, the school will:

- Send out a pupil information form for the parent/carer to complete and return. The fully completed form must be returned at least a week in advance of the start date.
- Allocate a senior member of staff to be the point of contact for parents/carers.
- Provide an introduction to the Support Team.
- Develop a transition plan to be agreed with the parent/carer, the existing placement, if any, and the placing Local Authority and the child/young person.
