Welcome to The Rise School - A Vibrant Learning Community.

Welcome to our school community. Our pupils are some of the most vulnerable children in society and we are passionate in our desire to see them blossom, experience success and develop confidence and strategies to overcome some of the challenges associated with their autism. We have two pillars that run throughout all our work: the academic and social progress of our pupils. These are of equal importance.

Vibrant

Our school is a vibrant place to work. We've got great facilities: a wellbeing garden, sensory room, soft-play room and a gym – which staff use too. Break and lunch times are opportunities to play and interact with our pupils, role-modelling our values. Learning also takes place outside the classroom via frequent trips, camping, externally-led workshops, community trips and after school clubs.

Learning

Learning is at the heart of everything that we do at The Rise – we make the effort to make sure 'learning is irresistible' for our pupils and is equally underpinned by the principle of being evidence-informed.

Learning is central for staff too - you are encouraged to take proactive ownership of your CPD. There are many ways to develop yourself which of course include conference attendance but goes beyond also: borrow a book from the staff library in the staffroom, read the L&T bulletin and platform, access an online learning course, talk and observe colleagues. Recommendations of books to add to our library, or courses you think look interesting, are always welcomed. We have a "Say Yes" approach to CPD.

Community

Team work is central to all our achievements at The Rise. You will find yourself part of a staff body who is empowered to be proactive and take their own initiative; are flexible and are willing to go above and beyond to support one another.

The sense of community is developed through our Wellbeing initiatives such as 'Secret Buddy' and Friday's 3-4pm slot where you can cultivate your wellbeing through learning something new or relating to your colleagues: we've had knitting, fitness, running, dance, relaxation, art sessions. Our community is strengthened by giving and receiving feedback to one another – it's how we all grow and develop. We support our families through half-termly 'Parent Meets' and socials.

Values

Our school values are Be Kind, Be Resilient, Be Proud. They were generated collaboratively and underpin our community. We explicitly teach, embed and celebrate these values, for example our kindness trees are growing outside each classroom.

The Rise is a very special place for children and young people to learn, thrive and be happy, hand in hand with our families. It's an equally special place to work.

We hope to welcome you to our team!

We LOVE visitors and would absolutely encourage any potential applicants to come and see the school in action during the day. This is particularly relevant for mainstream teachers who might not be sure about making the switch to a SEND school (you definitely should!)

We are happy to host prospective applicants for a tour but appreciate that with covid, this may be more difficult for some. Please do use the links below to get a better sense of our school.
